2^d Regiment of Me. Volunteers, on _____

NOTE 1.—This blank will be used for both enlistments and re-enlistments—enlistment of veterans, &c., &c., in the volunteer service. They will be made out in triplicate in all cases—one to accompany the recruiting return of the superintendent (not the recruiting officer) to the Adjutant General of the Army, one to accompany the accounts of the officer who pays bounty, and one for the Adjutant General of the State. The Regiment and Company in which the soldier last served should be given on the back.

NOTE 2.—An enlistment holds to service. A muster-in must, in all cases, precede payment of pay, bounty, pension, &c. A muster-in roll must, in all cases, be filed in the Adjutant General's Office as evidence of muster-in. The mustering officer, commissary, or assistant commissary of musters, as the case may be, will countersign all the enlistments as having mustered the soldier into the service of the United States before either of them is given to the disbursing officer.
